Draft Environmental Impact Statement Open House/Public Hearing

The Navy is conducting a public hearing to solicit input and feedback on the Draft Environmental Impact Statement (EIS) concerning the homeporting of additional surface ships at Naval Station Mayport. The public hearing allows the public to voice comments on the Draft EIS directly to Navy personnel. Relevant comments will be addressed within the Final EIS. Prior to the public hearing, you can visit stations set up throughout the room which provide you with information about the Draft EIS findings. The public is invited and encouraged to speak with Navy representatives and to ask questions as well as provide comments. The formal public hearing portion of the meeting begins at 6:30 PM.
